|                | Total                         | 20    |
|                | ~ GRADUATION ~                |       |
| NOTES          |                               |       |
| * IDDE Lateral | -t                            |       |

- \* IPPE: Introductory Pharmacy Practice Experiences
- \*\* APPE: Advanced Pharmacy Practice Experiences: Six blocks (any order): Community, Health Systems/ Institutional, Ambulatory Care, Acute Care/General Medicine, Patient Care, and Non-Patient Care Elective
- PPRAG 1677 Advanced Interprofessional Development is assigned to be taken in **either** PS-2 Fall, Winter, or Spring Quarter. Credit totals modify accordingly.
- All quarters are 10 weeks each, plus one week for final exams. All 12-week quarters noted do not require an additional week for final exams.
- Quarterly credit totals do *not* include electives. A total of 9 credit hours of classroom electives are required prior to beginning APPE rotations.
- Integrated Sequence courses (PHIDG): Topics noted in parentheses are for illustrative purposes only and subject to adjustments.
- Course descriptions are available in the course catalog on our Website: <u>www.midwestern.edu/CPG</u>
