### Tuition and Costs

Tuition and fees are due on the stated due date prior to the start of the academic quarter. Tuition for full-time students is an annual rate that is payable over 1, 2, 3, or 4 quarters per year depending on the academic schedule of the student. Tuition rates are subject to change each academic year for all enrolled students. Historically, tuition has increased between 3.75% and 7.00% annually. Please refer to <https://www.midwestern.edu/admissions/tuition-and-financial-aid/tuition-and-costs.xml> for the most updated information on tuition and expenses.

While many students find it necessary to borrow to pay for their education, we highly encourage students to live as modestly as possible with a thrifty budget, to minimize debt, and that good choices now can lead to financial freedom down the road and lower repayment after graduation. Once accepted and your matriculation deposit has been made, you will have access to our "Financial Services" tab where you will find all the requirements and information to apply for financial aid.

All full and part-time degree-seeking students enrolled in an academic year must pay the student services and applicable program specific fees. Transportation, health insurance and personal expenses, including room and board, are not included in the costs detailed below. These expenses will vary according to individual student needs. Additional fees may apply depending on State Board of Nursing and other program requirements.

Midwestern University reserves the right to change tuition and expenses as necessary.

Students may contact Student Financial Services by calling 623-572-3321 Monday through Friday between the hours of 8:00 AM and 4:30 PM Arizona Standard Time or by emailing financial aid at [azfinaid@midwestern.edu](mailto:azfinaid@midwestern.edu) or student accounts at [azstudentaccounts@midwestern.edu](mailto:azstudentaccounts@midwestern.edu).
