### Earn Up To 20 AAPA Category 1 CME Credits for Precepting

The AAPA House of Delegates recently increased the maximum allowable number of Category I CME credits for PA preceptors to 20 credits per calendar year. They also adjusted the rate at which CME can be earned.

**PA preceptors may now earn a total of 2 credits per week for each student they precept!**

Our 2020-2021 Preceptor/Site Profile forms recently went out to obtain your availability for the upcoming clinical year. Please consider precepting at least one student. We appreciate your support in educating the next generation of medical professionals!

### Change in Hospitals/Facilities?

Please contact us in the event that you acquire new privileges, or no longer take students, to a hospital, surgicenter or other facility. Students must be credentialed at all facilities in which they will be observing or caring for patients. Timely notification of any changes allows our credentialing coordinator to avoid potential missed opportunities for patient care.

### Need To Contact Our Department?

If you have questions about our program or desire feedback regarding precepting our PA students, please reach out to us.
