

YOU ALWAYS WANTED [TO BE A PHARMACIST.]

TOGETHER, WE'LL BUILD YOUR FUTURE.

**Illinois Institute
of Technology**
Chicago, IL

Two dynamic universities have joined forces to provide an early admission program for students who would like to be accepted into pharmacy school directly out of high school or in their first year at the Illinois Institute of Technology (IIT). The Dual Acceptance Program (DAP) permits students to complete their prerequisite requirements during two years at IIT, then transition into Northwestern University's College of Pharmacy, Downers Grove Campus (CPDG), to begin a three-year Doctor of Pharmacy program.

Midwestern University and the Illinois Institute of Technology are Equal Opportunity Educators/Employers.

Enrollment Options & Eligibility

Students may enroll in one of two tracks:

Track 1: This track is available to high school students who apply by **November 1st** (early decision) or **February 15th** during their senior year. To be eligible, students must have a weighted cumulative GPA of 3.0 on a 4.0 scale. The following items are required in the application process by the dates noted above:

- Completed application
- Official high school transcript
- *Optional* ACT or SAT test scores. If desired, submit directly:
 - ACT minimum 24; MWU's code: **6400**
 - SAT minimum 1190; MWU's code: **3788**
- Participation in an on-campus Interview Day, when invited to do so

To complete Track 1, students must complete all pre-pharmacy coursework within two years.

Track 2: This track is available to students who have recently enrolled at IIT, are in good standing, and are completing their first year of full-time coursework with a minimum GPA of 3.0, and a minimum of a C in each course.

These students must not have been enrolled in any other post-secondary institution. The following items are required in the application process by **June 6th**:

- Completed application
- IIT transcripts upon completion of the second semester
- Participation in an on-campus Interview Day, when invited to do so (after June 6th)

Track 2 students have up to two years from the time of acceptance to complete all pre-pharmacy coursework. (Each new class of pharmacy students at CPGD begins the Pharm.D. program in the summer quarter only. There are no mid-year enrollments at MWU.)

Application

The free application and instructions are available at www.midwestern.edu/EAP.

Program Benefits

- Pharmacy College Admission Test (PCAT) is not required
- Interview completed during the initial admissions process
- Early decision of conditional program acceptance granted
- Ongoing support from a dedicated CPDG faculty mentor during pre-pharmacy coursework
- Free abbreviated PharmCAS application required in the fall prior to transfer into MWU
- Letters of Recommendation are not required

Midwestern University's Chicago College of Pharmacy

Founded in 1991, the College of Pharmacy, Downers Grove Campus (CPDG) offers the Doctor of Pharmacy (Pharm.D.) degree. Its successful curriculum emphasizes patient-centered care, communications, and uses group learning approaches to foster the team-oriented healthcare environment seen in current practice. CPGD alumni work in community pharmacies, hospital settings, educational institutions, pharmaceutical companies, and managed care organizations. Graduates of the College are well positioned to be offered full-time positions in rewarding and challenging practice environments with excellent salaries. CPGD is part of Midwestern University, an academic community

committed to health sciences. The University's 105-acre campus features state-of-the-art facilities and is located 25 miles west of downtown Chicago in Downers Grove, IL.

Program Requirements and Prerequisite Courses

To retain their admission into CPDG, students admitted to this program must successfully complete the following DAP requirements:

- All pre-pharmacy prerequisite courses must be completed at IIT within two years.
- A minimum cumulative GPA of 3.0 must be achieved at the end of the summer term after the first full year of pre-pharmacy coursework at IIT. At that time, students will then submit their transcripts to CPDG via PharmCAS for a progress check.
- Students must earn a minimum grade of "C" in all required courses. Grades of "C-" or lower are not accepted.
- Students may repeat one course one time for a higher grade. Both attempts will be included in the cumulative GPA calculation.
- Students must comply with the requirements outlined in the Matriculation Agreement and Technical Standards certification form.
- An IIT designee will meet with students every semester for advisement. The designee monitors the progress of students at the completion of every semester and

will advise CPDG of any students failing to meet the requirements. In addition, students in the DAP program will be required to provide the MWU Admissions Office with an official IIT transcript via a free abbreviated PharmCAS application at the conclusion of their summer term after the first full year of pre-pharmacy coursework.

- Any student who does not meet the program requirements will be encouraged to apply to CPDG via the traditional route.

Prerequisite Illinois Institute of Technology Course Requirements

Students must successfully complete the following courses listed below:

REQUIREMENT	ILLINOIS INSTITUTE OF TECHNOLOGY COURSE	COURSE UNITS
English Composition	COM 323 Communicating Science	3 credits
	COM 421 Technical Communication	3 credits
Speech	COM 428 Verbal and Visual Communication	3 credits
Biology	BIOL 107 and BIOL 109 General Biology Lecture & Lab	4 credits
	BIOL 115 and BIOL 117 Human Biology Lecture & Lab	4 credits
Anatomy	BIOL 305 Human Anatomy, OR	3 credits
	BIOL 430 Human Physiology	
General Chemistry (w/lab)	CHEM 124 Principles of Chemistry I w/Lab	4 credits
	CHEM 125 Principles of Chemistry II w/Lab	4 credits
Organic Chemistry (w/lab)	CHEM 237 Organic Chemistry I	4 credits
	CHEM 239 and CHEM 240 Organic Chemistry II	5 credits
Physics	PHYS 211 FALL O OR	3 credits
	PHYS 123 General Physics I	4 credits
Calculus	MATH 151 Calculus I	5 credits
Statistics	MATH 225 Introductory Statistics, OR	3 credits
	MATH 425 Statistical Methods, OR	
	PSYCH 203 Undergraduate Statistics for Behavior Science	
Economics	ECON 211 Principles of Economics	3 credits
Social and Behavioral Science Electives	Two Social and Behavioral Science Courses (psychology, sociology, cultural anthropology, or political science)	6 credits
General Education Electives	HUM 200, 202, 204 OR 206	3 credits
	HUM or Social Science Elective	3 credits
	Computer Science	2 credits

Placement exams may be required for some courses, so students may be required to take additional hours if they need to complete prerequisite coursework for the above courses. Summer courses may be required to complete the program within the two-year timeframe. This list is subject to change. Please consult the DAP advisor at the Illinois Institute of Technology for any updates.
