Are you a college student or recent graduate interested in optometry?

Join us for an immersive three-day training to begin laying your foundation of optometry knowledge. Your experiences will provide you with a glimpse into the life of an optometry student at Midwestern University.

First-Hand Experience Includes:

- Seminars on preparing for optometry school, optometry techniques, and the admissions process
- Tours of the classrooms, laboratories, and clinic
- Hands-on workshops using state-of-the-art technology, including virtual reality eye exam simulators
- Panel discussions with students, faculty, and alumni
- Interactive experiences in optometric labs
