

# Your Fast Track to Becoming a Pharmacist

## Together, We'll Build Your Future

### Elmhurst University

Elmhurst, IL

Two dynamic universities have joined forces to offer you an opportunity to be accepted into pharmacy school directly out of high school or in your first year at Elmhurst University.

### The Dual Acceptance Program

(DAP) allows you to complete prerequisite courses during two years at Elmhurst, then transition into Northwestern University's College of Pharmacy (NWU COP) to begin a professional three-year Doctor of Pharmacy (Pharm.D.) program.

College of Pharmacy  
Downers Grove, IL  
Glendale, AZ

Midwestern University and Elmhurst University are Equal Opportunity Educators/Employers.

### Enrollment Options & Eligibility

You may enroll in one of two tracks:

**Track 1:** For seniors in high school.

#### Eligibility:

- Have a weighted cumulative GPA of 3.0 on a 4.0 scale
- Submit the following by **November 1<sup>st</sup>** (early application) or **February 15<sup>th</sup>** to MWU :
  - Completed application
  - Official high school transcript
- Participate in an Interview Day, when invited to do so
- Upon acceptance: Complete all prerequisite coursework (listed on next page) at Elmhurst University within two years.\*

**Track 2:** For first-year students at Elmhurst University.

#### Eligibility:

- In good standing at Elmhurst U
- Completing your first year of full-time coursework at Elmhurst U
- Have a minimum GPA of 3.0, and a at least a C in each course.
- Submit the following by **June 6<sup>th</sup>** to MWU:
  - Completed application
  - Elmhurst U transcripts upon completion of the spring semester
- Participate in an Interview Day, when invited to do so
- Upon acceptance: Complete all prerequisite coursework (listed on next page) at Elmhurst within two years of program acceptance.\*

\* Please note: Each new class of pharmacy students at MWU COP begins the Pharm.D. program in early June only. Mid-year enrollments are not available at MWU.

### Application

The free application and instructions are available at [www.midwestern.edu/DAP](http://www.midwestern.edu/DAP).

### Program Benefits

- Program interview completed during the initial admissions process, so you can focus on your prerequisite courses.
- Letters of Recommendation are not required.
- Early decision of conditional Pharm.D. program acceptance granted.
- Clear roadmap of pre-pharmacy courses to complete.
- Attendance at Northwestern University College of Pharmacy, where you will become a compassionate pharmacist who practices patient-centered care.
- Partnership with a pharmacy faculty mentor, who is committed to helping you succeed.

## Midwestern University College of Pharmacy

Founded in 1991, the College of Pharmacy, offers the Doctor of Pharmacy (Pharm.D.) degree on each of its two campuses: Downers Grove, IL and Glendale, AZ. You may choose to attend either campus. Our **three-year curriculum** emphasizes patient-centered care, communications, clinical skills, and uses group learning approaches to foster the team-oriented healthcare environment seen in current practice.

The College of Pharmacy is part of Midwestern University, founded in 1900 as an academic community that is committed to the health sciences. Professional programs include osteopathic medicine, dental medicine, veterinary medicine, optometry, physical therapy, and many more.

## Program Requirements and Prerequisite Courses

To retain your admission into MWU COP, you must successfully complete the following DAP requirements:

- All pre-pharmacy courses must be completed at Elmhurst University within two years (Track 2: within two years of program acceptance).
- A minimum cumulative GPA of 3.0 must be achieved at the end of the summer term after the first full year of prerequisite coursework at Elmhurst University. At that time, you will then submit your transcripts to MWU via PharmCAS for a progress check.
- You must earn a minimum grade of "C" in all required courses.
- You may repeat one course one time for a higher grade. Both attempts will be included in the cumulative GPA calculation.

As you progress through your prerequisite coursework, you will meet periodically with your Elmhurst University advisor. We will also stay in contact with you. And then in the fall prior to your transition to MWU COP, our MWU Admissions Office will reach out to you to request an official Elmhurst University transcript via a free abbreviated PharmCAS application. We will provide you with complete instructions at that time.

## Did You Know? Pharmacists today ...

- Are at the **forefront** of healthcare and its innovations
