Subject: Special Announcement - HEERF-III Grant Application Information - All Students Eligible

Dear Student:

Legislation for the Higher Education Emergency Relief Fund (HEERF) III, was enacted by the Federal government in the Spring of 2021. Midwestern University has received its portion of the grant funding. Continuing with our focus on student success and well-being at the forefront, we will be making 100% of these funds available for student grants.

The main criteria for the grant is to prioritize grants to students with exceptional financial need. All student grant applications will be assessed and awarded based on student need. All Students are eligible for this grant regardless of receiving a prior HEERF grant or Title IV eligibility.

The HEERF-III grants will be awarded for applications received on or after July 1, 2021. If you have already submitted a HEERF Grant application as of July 1st, your application will be processed as a HEERF-III grant. If you have not submitted a HEERF Grant application in July, you are encouraged to submit the HEERF-III application. Duplicate applications will not be processed.

The grant may be used towards:

- Any component of cost of attendance
- Emergency costs that arise due to coronavirus, such as:
 - Tuition
